About Us

A unique & inspiring venue

We welcomed our first visitors in January 2007 and since then, the award winning National Self Build & Renovation Centre (NSBRC), remains the UK's only permanent visitor centre for independent homebuilding advice & support, having helped a quarter of a million visitors build their own dream home or extend and improve their existing property.

The National Self Build & Renovation Centre

About our venue:

We regard ourselves as custodians of this fantastic resource and believe the NSBRC is the heart of the thriving self build sector.

We are often the first destination for anyone self-commissioning a home in the UK, we believe we showcase the very best manufacturers, suppliers, and service providers.

As well as our exhibition space, containing 200+ exhibition stands, we have five meeting rooms and two theatres, accommodating 1 to 240 guests.

The Centre also holds four full size houses, and life-sized cross sectional homebuilding exhibits creating a unique setting and offering a genuine 'wow' factor.

The Think Box

We strive to offer a genuine 'wow factor' at our unique and inspirational venue.

All of our meeting spaces are flexible, and our team are able to accommodate to your specific event requirements

Build It Theatre

The Build It Theatre is our largest meeting room located on the ground floor. It's also the most versatile with a maximum capacity of 240 guests.

This room is ideal for large scale events, product launches and team building days. This spacious meeting room with built in screen and stage is perfect for your next conference.

- Fixed Stage (7.25x2.00m)
- LCD Projector and 162" Fixed Screen
- Lectern Stand
- HDMI Connection
- PA System with 2 Handheld and 2 Lapel Microphone
- Air Conditioning
- Lighting Control

The Sustainability Theatre

Our recently refurbished Sustainability Theatre is situated on the ground floor of the Visitor Centre.

This unique open space is a great area for product demonstrations with its reinforced floor and additional tiered seating.

Easily accessible, the Theatre is suitable for breakout sessions, networking events and breakfast meetings.

- Fixed Stage (5.80x1.80m)
- 132" Screen
- LCD Projector
- Lectern Stand
- HDMI Connection
- PA System with 1 Handheld and 1 Lapel Microphone

The Piazza

With the Potton House as a backdrop this impressive area is perfect for networking, live demonstrations, registration and refreshment breaks. We've even hosted virtual reality sessions here!

The Piazza is an extremely versatile space and has been used by many different companies requiring a variety of different layouts. Also available is our stunning oak mezzanine which overlooks the Trade Village and provides an excellent breakout or refreshments area.

- Huge, flexible space
- Ideal area for serving lunch & refreshments
- Perfect for networking
- Stunning backdrop

The Dale Boardroom

The Dale Boardroom is one of our most requested meeting rooms and is located on the first floor of the Dale House, which overlooks the Trade Village.

This room is ideal for focused team meetings of up to 12, so if you're looking for a space with a different atmosphere, then the Dale Boardroom really gives the WOW factor.

- 55" Plasma Screen
- Lectern stand available
- HDMI Connection

The Custom Build Suite

The Custom Build Suite located on the first floor has been specifically built for larger sized groups, up to 60 guests.

This room also has a foyer area for your refreshments and registration.

This diverse space is great for your large or small meetings in a range of layouts.

- LCD Projector directed onto a white wall
- Lectern Stand
- HDMI Connection
- Air Conditioning
- Natural Daylight

The Renovation Suite

The popular Renovation Suite is located on the first floor of the Centre and provides a quiet space for thought provoking meetings.

This quiet space is great for team meetings with magnetic walls allowing you to demonstrate your ideas.

- 90" Plasma Screen directed onto a white wall
- HDMI Connection
- Magnetic Walls for displays
- Air Conditioning
- Natural Daylight

The Self Build Suite

The Self Build Suite located on the first floor is an intimate space and lends itself perfectly for interviews, 1-2-1 sessions, small meetings or simply some quiet time away from the office.

- Plasma Screen
- HDMI Connection
- Whiteboard
- Air Conditioning

The 'Think Box'

The Think Box is a one of our newest conferencing facilities at the Centre. The room provides a modern, relaxing space designed to encourage creativity and discussion.

A fun, but calming environment, the 'Think Box' offers a different type of space for you and your group, which might just be perfect...

- A huge whiteboard wall
- Contemporary furniture
- Comfortable sofas

Testimonials

"We have used the NSBRC on several occasions for a wide range of occasions from large events 200+ , training sessions, conferencing, interviewing and more intimate meetings..."

...The Centre is excellent for all of our needs and is the perfect choice for our needs, from the great location, ample parking, on site facilities including technology, attentive staff, catering options, break out areas and before and after service.

The centre has always accommodated all of our requests and have gone over and above to ensure our requirements have been met. We will certainly be using again."

"Thank you for helping us to organise such a fantastic event at the NSBRC. It was the perfect venue for us and your team helped us to bring the event to life. You've all been fabulous."

"Exceptional service and professionalism throughout."
