

Fri 10th &
Sat 11th December

Building Systems Workshop

FRIDAY 10th DECEMBER

10:00 - 10:30 The NSBRC Guide to the different Building Systems - **NSBRC, David Hilton**

10:30 - 11:00 Structural Insulated Panels (SIPS) - **Point 1 Building Systems, Garry Dyke**

An introduction to SIPS. During this presentation, Garry will discuss the benefits and simplicity of self building with SIPS. He will also demonstrate how SIPS can help you easily transition between your follow on trades and assist in reducing your build programme.

11:00 - 11:30 Insulated Concrete Formwork (ICF) - **BecoWallform, Robin Miller**

Break - Book appointments with our Building Systems experts

12:10 - 12:40 Timber Frame - **Frame Technologies, Simon Orrells**

12:40 - 13:20 **Not to be missed:** Planning Surgery- **Mark Doodes Planning, Mark Doodes**

Break - Book appointments with our Building Systems experts

14:00 - 14:30 Log Homes - **Scandinavian Homes, David Gittins**

What do you think of when someone mentions the words log home? By the end of this talk you'll have a very different image of log homes, and understand why log homes can be great for you and for the environment.

14:30 - 15:00 Building Systems 'Question Time' - **Hosted by David Hilton with today's panel of experts**

SATURDAY 11th DECEMBER

10:00 - 10:30 The NSBRC Guide to the different Building Systems - **NSBRC, David Hilton**

10:30 - 11:00 Masonry Thin-joint System (Smart Wall) - **The Evolved Group, Chris Dewhurst**

11:00 - 11:30 Insulated Concrete Formwork (ICF) - **BecoWallform - Robin Miller**

Break - Book appointments with our Building Systems experts

12:10 - 12:50 **Not to be missed:** Timber Frame including a conversational real life case study - **Fleming Homes, Sarah Mathieson**

Timber frame 'fire-side' chat; exploring the benefits of building with timber frame and insights from real life self-builders Richard and Beth Wilson on what those benefits meant for their project.

12:50 - 13:20 Funding your project - **BuildStore**

Break - Book appointments with our Building Systems experts

14:00 - 14:30 Design - **AC Architects - Jenny Chandel**

14:30 - 15:00 Building Systems 'Question Time' - **Hosted by David Hilton with today's panel of experts**
