HOW WE WORK

We bring together the right people, with the right skills and knowledge, to deliver change on key industry issues.

SUPPORTING OUR MEMBERS

STAKEHOLDER ENGAGEMENT COMMITTEE

COLLABORATE and engage with Stakeholders to facilitate change.

TRAINING COMMITTEE

CONTRIBUTE to regional and national training initiatives and competency frameworks.

TECHNICAL COMMITTEE

DELIVER the documentation defining best practice and standards of technical excellence.

MARKETING COMMITTEE

RAISE the profile of INCA, its membership, and the industry as a whole.

“INCA members apply the latest skills, innovations, and techniques to deliver high quality new build and refurbishment projects in both the domestic and non-residential sectors”

INCA Executive Director
John Sparrow

OUR PRIORITIES

- To represent, promote and support members
- To support the development of the EWI market
- To drive industry best practice
- To support the UK Government in its energy security and carbon reduction strategy in order to meet net zero targets by 2050

BENEFITS OF INCA MEMBERSHIP

Membership of INCA provides a wide range of benefits and support services to ensure that companies are uniquely placed to deliver the highest quality standards for their clients.

INDUSTRY REPRESENTATION

A collective industry voice representing the EWI industry to Government and key Stakeholders. Collaboration with cross industry partners for effective lobbying.

BUSINESS OPPORTUNITIES

A listing in the INCA Member Directory, additional marketing support and use of the INCA brand.

TECHNICAL ADVICE & SUPPORT

Access to technical documentation, advice and support.

AWARDS

Attendance and entry into the prestigious annual INCA Awards.

INDUSTRY DATA

Contribution and access to surveys and analysis of industry data.

BUSINESS SUPPORT

Free or discounted access to credit reports, employment, health and safety, and legal advice.

MEDIA & COMMUNICATIONS

Regular communications including news bulletins and member forums.

NETWORKING

Regular events to encourage collaborative working across the sector.

VISION

Delivery of growth in sustainable fabric performance solutions as the primary focus in combating fuel poverty and protecting the environment.

LEADING THE UK EWI INDUSTRY
