

# Renovation Workshop - Transform your home with confidence!

Saturday 8<sup>th</sup> November

## Presentation Timetable – All talks delivered in the Sustainability Theatre

Centre doors open from 9:00 – Please use this time to explore the exhibitor displays and book 1:2:1s

**10:00 – 10:20 | Introduction to Workshop & Expert Elevator Pitches – Rob Bohm, NSBRC**

Rob introduces the key themes of today's workshop and explores the key questions to be asking. Each presenter (available for 1:2@2s) will provide a short overview of their services & solutions.

**10:20 – 10:45 | UFH & Renewables – Paul Wood, Nu-Heat**

Efficient, low temperature heating for your home – the benefits, considerations and options available to you when choosing a heat pump and underfloor heating for your home.

**10:45 – 11:10 | Designing your low carbon retrofit – Alan Budden, Eco Design Consultants**

Alan will go through the principles of how you can transform your home into a low carbon, comfortable healthy and fun place to live. He will discuss deep verses shallow retrofits, and retrofit by stages, going through key principles.

**11:15 – 11:40 | Retro EcoWall – Dave Judd, Ecological Building Systems**

A complete low energy solution for internal wall insulation for both traditional solid stone and brick walls.

**Short break in programme for 1:2:1 appointments and tour of Renovation House\***

**12:20 – 12:45 | Triple Glazed Windows – Mike Shufflebotham, 21°**

Windows – how to optimise them for comfort and cost - How windows and doors have a critical role in bringing energy balance to your home

**12:45 – 13:30 | Solar slates – is your roof suitable? – Rhiannon Jones, GB Sol**

Covering planning, roof suitability, electrical considerations and equipment spacing to determine if solar slates could be the key to power your retrofit project.

**Short break in programme for 1:2:1 appointments and tour of our new Retrofit Zone\***

**14:20 – 14:45 | Financing Renovation and Retrofit: Exploring All Mortgage and Specialist Lending Options – Tom McSherry, BuildStore**

Tom will explore the full spectrum of mortgage options available for renovation and retrofit projects, from mainstream products to specialist lending solutions. He'll explain how staged funding works in practice, highlight the key differences from traditional mortgages, and show how the right finance structure can make even the most complex projects achievable.

**14:45 – 15:15 | DON'T MISS: Real Life Case Study: 'Kinver': Future-proofing our home – Guy Hargreaves**

Hear about this remarkable transformation of a Victorian home into an energy-efficient, climate-resilient living space

Centre closes at 17:00 - Use this time to explore the exhibitor display stands and remaining 1:2:1 slots
